

ROUND 45 D 60/C/BC/BC CHEM TOUCH

Round 45 D 60 TOUCH is the last news in Ghibli's scrubber dryers range. The innovative and functional design guarantees the right ergonomics and comfort in the daily activities. The technical features and the high level innovations – 45 liters tank capacity, three hours running time, the control panel with display, the double brush pressure, the "silent mode" function, the new chemical mixing system – make Round 45 something unique in its market segment, ideal for effective cleaning results in every kind of floor/environment. The wide cleaning path (2 x 12" brushes) and the adjustable speed (up to 5 km/h) allow a productivity of 3050 m²/h.

ROUND 45 is now available with two important upgrades:

- thanks to the new sensor TOUCH SYSTEM, Ghibli patented, ROUND 45 can be moved and controlled only using a thumb: intuitive, user friendly and reliable.
- ECO SYSTEM, the new program on the control panel, which optimizes consumptions, making ROUND 45 eco-friendly. Environmental care and good performance at the same time.

Control panel

Password for reliability and ease of use

Touch System

"Built in" solution tank filter

Debris tray + vacuum filter

Adjustable and compact squeegee

Eco System

Chemical mixing system

Detachable brush deck splashguard with bristles
