PRODUCT IDENTIFICATION

	TYPE	REF. NO.
	ROLLY 7½ M 33 BC 10 AH	13.0075.00
	ROLLY 7½ M 33 BC 20 AH	17.0075.00
	ROLLY 7½ M 33 BC 10 AH	13.0075.01
	ROLLY 7½ M 33 BC 20 AH	17.0075.01

The new ultra-compact scrubber dryer Rolly 7 ½ is the right answer to the professional cleaning demand. Comfort in narrow spaces, where no one arrives: - 7,5 liters of tank capacity, its dimensions, combined with a special handle (patented) and swivel wheels allow Rolly to go and work in small areas. Lithium batteries: a big power in a small case - The last generation lithium batteries hosted in a practical small case guarantees reliability and running time (more than one hour running time with the 10 Ah batteries and more than two hours thanks to the 20 Ah ones). Top cleaning and drying results: - the cylindrical brush deck, with three different down pressure adjustable by knob, against every kind of dirt; - an unbelievable alternate twin squeegee system (patented), for top drying results and optimized consumptions at the same time; - low noise level (only 54 dbA), perfect for day cleaning and in all the environments (hospitals, resthomes, schools...) where silence is a must. A start & go machine No training required, everybody can use Rolly: - all the main functions can be managed by the intuitive control panel; - coloured levers and knobs clearly help the user preparing the machine for work or while using it; - effortless maintenance. Rolly 7 ½ M 33 is available with two different batteries variants (10 Ah, 20 Ah) as standard.

TECHNICAL DATA

Cleaning width	mm	330
Squeegee width	mm	420
Cleaning solution tank	l	7,5
Recovery tank	l	8
Productivity (theor./practical)	m ² /h	1320 - 800
Installed power	W	270
