

# GHIBLI AS 60 IK D HD

GHIBLI AS 60 IK D HD

## PRODUCT IDENTIFICATION

TYPE	REF. NO.
AS 60 IK D HD	18201210001

Outstanding performances are shown by this wet/dry vacuum cleaner thanks to its three motors, with the possibility to use a single motor, two or even three motors at the same time. The new metal trolley (4 pivoting wheels, Ø 100 mm) allow the maximum transportability on every kind of surface and the drain hose system makes emptying the tank easy. In standard equipment, along with a washable nonwoven fabric filter (polyester), an antistatic kit is included. The standard accessories have been developed exclusively for the user: a crevice tool made of a special rubber, which doesn't leave marks (developed to avoid any damage caused by an impact or by stepping on it), a rubber curved tool with a brush and a 4 meters long flexible hose to easily reach any area without the need to move the vacuum cleaner.

Nonwoven fabric filter

Motor switches

Special rubber crevice tool  
+ 4 m hose

New metal trolley

## TECHNICAL DATA

Max power rating	W	3450
Rated power (nominal power)	W	2900
Container capacity	l	80
Useful capacity	l	56
Useful dust bag capacity	l	19
Filtering surface	m <sup>2</sup>	0,4
Air flow rate	l/s	150
Vacuum	mbar	205
Sound level	db(A)	66,5
Power supply cable	m	10
Weight (without accessories)	Kg	24
Dimensions	mm	630x630x885

## STANDARD ACCESSORIES
