

RIDER R 65 RD 55

Compact ride on scrubber dryer RIDER SERIES

PRODUCT IDENTIFICATION

TYPE	REF. NO.
RIDER R 65 RD 55	10.0552.00
RIDER R 65 RD 55 BC	13.0552.00
RIDER R 65 RD 55	10.0552.01
RIDER R 65 RD 55 BC	13.0552.01

TECHNICAL DATA

Cleaning width	mm	550
Squeegee width	mm	650
Cleaning solution tank	l	65
Recovery tank	l	65
Productivity (theor./practical)	m ² /h	3000/1800
Installed power	W	1400

STANDARD ACCESSORIES

TYPE	REF. NO.
Polypropylene brush 11" Ø 0,6	4905-0043-0
External battery charger 24V 20A (*)	18.0063.00
Battery set (2 uts) 12V 105 Ah	18.0001.00
Set rubber squeegee blades 650 mm (front/rear)	96.0093.00

(*) Only for BC version

Rider R 65 is the new compact ride on scrubber dryer in Ghibli & Wirbel's range. 65 liters of tank capacity together with high productivity (3000 m²/h) and running time, guarantees the perfect solution in any kind of environment. Every details has been studied to guarantee the perfect ergonomics and ease of use. Compact dimensions, the incredible manoeuvrability, the low noise level and high productivity makes Rider suitable for any environment and surface. The RD 55 version, with rear traction and a classic twin brushes system, combined with the compact and well performing squeegee (only 650 mm), guarantees the best cleaning and drying performance. The BC version is equipped with external battery charger and battery set (105 Ah): it allows more than two hours and a half of working session without any stop!

Lever lifting/regulation system (squeegee, brush deck, water flow)

Immediate opening/access to all the main components

Twin brushes-deck system

Rider R 65 is the new compact ride on scrubber dryer in Ghibli & Wirbel's range. 65 liters of tank capacity together with high productivity (3250 m²/h) and running time, guarantees the perfect solution in any kind of environment. Every details has been studied to guarantee the perfect ergonomics and ease of use. The main distinctive feature is the incredible manoeuvrability; cleaning closed to wall in small areas and making the impossible U-Turn operation (only 115 cm), makes Rider the perfect choice for those who work in the most narrow and congested areas. The machine is suitable also for day cleaning in sensitive areas like hospitals and schools, thanks to the low noise level. The FD 65 version, with front traction, is equipped with the innovative brush head system: four small brushes with an excellent down pressure, surrounding the driving wheel, for the best floor coverage and cleaning results, even in small spaces or congested areas. Rider compact squeegee (750 mm) naturally adapt itself to every movements of the machine. The results are excellent drying performance on every kind of surface even in sharp curves and during the impossible U - turn operation. The BC version is equipped with external battery charger and battery set (105 Ah): it allows more than two hours and a half of working session without any stop!
