

NTS "eSwift" series

Pragmatic, practical, good

Compact, agile and robust. Perfect for quick use at home, in a hobby room or in the workshop. The powerful, new all-purpose vacuum cleaner series "Made in Germany" was developed for exactly these reasons. Use-orientated accessories and sophisticated detailed solutions, make the new starmix all-purpose vacuum cleaner a helpful all-rounder – everywhere that cleanliness is important.

★ Practical equipment

Optimised container with up to 10% more volume
20l container with optimum gross/net ratio. The impact-resistant, robust construction is tuned to the field of application. Quick and easy to empty thanks to the smooth interior walls.

Compact design, large surface area
Light, compact and agile - good to transport and stable to move. With practical detailed solutions such as the cable and hose coiling and connector fixture which are integrated into the carry handle. The upper surface of the container offers lots of room for storing tools and auxiliary devices.

Accessory compartment with 6 holding positions
All models have an accessory compartment for storing all accessories during work and transport.

Very stable and functional
The low centre of gravity of the container provides perfect stability. The built-in ramp makes it easier to move over obstacles. A red mains cable offers protection against tripping.

NTS "eSwift" series

All-purpose vacuum cleaner (wet/dry)

The all-rounder for hobby, workshop and garage.

For quick use
it is just the right
thing!

NTS eSwift 1220 HK

All-purpose vacuum cleaner with 20l container

NTS eSwift 1232 HK

All-purpose vacuum cleaner with 32l container
